Solid top plate

Classic Steel Framed
Door

or

Contemporary Full Glass
Door

All stoves and fireboxes are delivered palletised. Adequate facilities must be available for unloading and site handling. Care must be taken when unpacking and handling on site and the final installation position. Clean gloves must be worn when handling. Lead times are guidelines for reference only, although we endeavour to meet quoted delivery dates. Terms and Conditions apply - available on request.

Your Rais wood burning stove comes with a 10 year warranty. This warranty does not include heat-insulating materials, glass and seals. Any alterations made to the stove will void the warranty.

All images used are for illustrative purposes only. Individual features and colours may vary.

All information is correct at time of printing and may be subject to change without notice.
